

STRONG AT HOME
Aged Care Physiotherapy

Strong At Home COVID Statement

Strong At Home continues to follow and work in adherence with the health advice and updates from the Department of Health, NSW Health, Australian Physiotherapy Association and the Public Health Network (PHN) Central and Eastern Sydney.

Strong At Home adheres to comprehensive hygiene practices and COVID screening processes. We are committed to keeping you safe during this time.

Please contact us at Strong At Home if you would like further information on our COVID Safe Practices.
